Kimpton Hotel Monaco Baltimore Inner Harbor and Local Maker The Treason Toting Company Launch Partnership

BALTIMORE – [Kimpton Hotel Monaco Baltimore Inner Harbor](#) announced today a new partnership with local maker and bag company, [The Treason Toting Company](#). This is the first and only partnership of its kind for both Hotel Monaco and Treason, where hotel guests can borrow custom iterations of the company's handcrafted bags during their stay.

"Kimpton is defined by its commitment to providing a localized hotel experience for guests, and we're always looking for new ways to make visitors' stays more fun and unique. It was a no-brainer to partner with a well-liked Baltimore brand like Treason Toting," said Stephane Vogel, director of operations overseeing Kimpton Hotel Monaco Baltimore Inner Harbor. "People stay at Monaco Baltimore for both work and play, so we chose a selection of bags with our guests in mind."

Four custom-designed bags will be on display in the hotel's living room and available to borrow free of charge as an extra amenity to hotel guests during their stay. Inspired by the hotel's timeless décor, the handcrafted bags' design feature high-quality navy waterproof canvas with honeycomb trim, antique brass hardware, and brown leather straps. **The Biddle**, a compact backpack; **The Chase**, a slightly larger backpack designed for a full day of meetings or exploration; **The Eutaw**, an everyday medium-sized carry all tote; and lastly, the **13 inch laptop sleeve**, perfect for on-the-go business meetings, will all be available for complimentary daily rental starting May 15.

Guests will also have the option to purchase special edition Treason and Hotel Monaco yellow screen-printed shopping totes. The bags will be available in each guest room closet for travelers to purchase as a memento of their trip to Baltimore.

“We’re grateful for the opportunity to introduce our product and brand to every hotel guest that walks through the doors of Hotel Monaco,” said Aaron Jones, chief executive officer and co-founder of The Treason Toting Company. “Our company motto is ‘Carry Your Stories’ and this message is a perfect way to encourage hotel guests to take a bag on whatever adventure brings them to Baltimore.”

The custom Treason bags will be added to Kimpton’s signature *Forgot it? We’ve got it!* amenities list, including toiletries, personal items and others, many of which are complimentary. The bag borrowing program also joins Kimpton’s PUBLIC bike borrowing program in encouraging guests to explore Baltimore.
